

Pediatric Psychologist Position at the University of Colorado

We are pleased to announce that we have several pediatric psychologist positions available at Children's Hospital Colorado/Division of Child and Adolescent Psychiatry at the University of Colorado School of Medicine. Many specialty clinics located at Children's Hospital Colorado are committed to providing embedded mental health services. Opportunities exist in a variety of these specialties, and the position may include practice in Consultation/Liaison, Transplant, GI, Neurology, Cystic Fibrosis and general Med Psych, across inpatient and outpatient settings. Those with interest and experience in Med Psych and Consultation Liaison broadly, as well as specific interests in gastroenterology and transplant are highly encouraged to apply.
