

PROGRAM DIRECTOR POSITION

The Graduate Department of Clinical Psychology at the University of Indianapolis is seeking a tenure-track Program Director beginning in August 2018 or January 2019 for 10-month appointment in our APA-accredited PsyD program.

The doctoral program is located in the UIndy Health Pavilion, an innovative interprofessional collaborative space that houses our high-quality programs in nursing, physical therapy, occupational therapy, gerontology, kinesiology, psychology and social work. We seek forward-thinking educators with practice and/or research experience in interprofessional or interdisciplinary settings, and training with empirically-supported treatments.

Note to Applicants: As a part of this application, you will be asked to submit a curriculum vitae, cover letter, transcript, and up to three representative publications. We ask that you upload your curriculum vitae in the resume section of the application.
